

# AR-15/16

## COMPREHENSIVE ARMORER SCHOOL

COURSE SPONSOR  
**M&A PARTS INC.**

The Weapon Systems AR-15/16 Comprehensive Armorer School is unlike any other Armorer School in the industry.

Our school covers the AR Rifle System completely from A to Z. We start with a completely stripped lower and build a complete weapon. \*Several Times, as well as cover trouble shooting and technical information.

We provide all rifles, parts, vises, tools, and training materials for the school. The students only need to arrive and attend one of the finest AR Armorer Schools available.

The schools completely cover the following areas and we will also compare our Comprehensive Armorer Course to others in the industry for your evaluation. Our reviews and critiques are tops in the industry. Our classes are normally filled so please register early. Students on our waiting list are also contacted should a student need to cancel in advance due to professional responsibilities.

Weapon Systems Training Council is a professional Training Partner with Public Agency Training Council. (PATC)

**The WSTC Comprehensive AR-15/16 Armorer School is a Certified School.**

**\*Armorer Course Sponsor: M&A Parts Inc.**

*The Course is not Brand Specific* and is also the exclusive \*Certified Armorer School for **Rock Rive Arms Inc.**

We have instructed the school for a vast number of federal, state and local law enforcement agencies as well as US Military personnel throughout the USA since 2006. At the present we have well over 2000 graduates. **WSTC is also a Training Partner with Public Agency Training Council** the largest independently owned training group in the United States and Canada.\* As stated this armorer course is not brand specific and covers the entire AR-15/16 Platform.

### Comprehensive Topics Covered:

Importance of Agency Armory Procedures, Policy & Guidelines

Proper Tools \*Live Presentation\* selection & proper use

Live Instructor Demonstration of the assembly and correct assembly procedure of each individual AR Group.

Instructor presentation and explanation of Trouble Shooting and Problem Solving using student hands on techniques.

Complete Assembly & Repair Procedures of the AR-15/16 *Note: \*each student will experience the complete assembly, disassembly, trouble shooting, problem solving by physically performing all tasks. **Using provided rifles, parts and materials.***

### Specific Areas of Instruction:

AR-15/16 Part Variations & Quality

Barreling & Re-Barreling

Part Repair

Throat Erosion

WSTC Uses LE Certified Instructors!

### Other Ar-15 Armorer Classes

Very limited curriculum. Limited disassembly or assembly of parts are not performed by students in classes.

1 – 2 Days \*Less than 3 Day = Not an effective Armorer Course

Use Officers Duty Weapons  
 Creating liability and possible serious consequences. Some furnish weapons with worn parts and parts that fall out and do not demonstrate the Armorer's true experience.

NONE  
 Small Binder type manual with limited information.

NONE Offered  
 Possibly to None  
 Minimal / Most None  
 Minimal to None  
 A few punches & Hammer  
 None  
 Some to None  
 Minimal  
 \*Double the cost by charging for both a Basic & Advanced  
 \*Added Cost and Officer Time and Travel away for training

Minimal

\*Try to tell you that you must attend their Armorer Course to be certified when your weapon warranty has already expired. When the warranty is gone the weapon is all yours  
 You would be much better for the officer to attend a WSTC in depth qualified and certified armorer course.

**Some may claim they have an Advanced AR-15/16 Armorer School but none contain the comprehensive and detailed curriculum and material presented by the WSTC Comprehensive AR-15/16 Armorer School.**

WSTC Makes the Armorer Student "Earn the Certification". From experience, we want the Certification to stand for something other than just a paper certificate in a personnel file. Students receiving the WSTC AR-15/16 Armorer

Certification will have the knowledge and the confidence to do Professional Armorer Work on the total AR-15 System at their agency. Therefore saving cost and eliminating down time.

**\*\*\*\*\*SPECIAL RIFLE PURCHASE OFFER\*\*\*\*\***

\*Upon successfully completing the course students receive a onetime special Armorer School Graduate Discount on a Rock River Arms AR Rifle of their choice. As well as provided with sources and information for special discounts on other AR parts, Uppers, Accessories.

---

**NOTICE:**  
**Certification Information**

As many may be aware, Sabre Defence Industries is no longer in operation. It has no effect on the Official Certification of the Weapon Systems Training Council Comprehensive AR-15/16 Armorer Course that you presently possess, presently acquiring, or your future recertification. You will still retain the WSTC Certification to perform armorer work on the Sabre brand rifles as well as Rock River Arms Inc. As stated this is a Certified AR-15/16 Armorer Course and It IS NOT BRAND SPECIFIC.

Sabre Defence was one of the sponsors for the course during that period of time. We also remain to be the exclusive Armorer School for Rock River Arms Inc. and Post Certified in most all states. And WSTC courses are also Post Certified in most all states.
